

Activity	Ten in the bed		
Key:	Due the various abilities of our children we have graded some of the activities into different levels.	Contact details:	schools@cdssgroup.org.uk
Seeds	Your child may access different levels depending on the activity as well as their ability.		All Education Advocates access this email.
Saplings			Sarah Larkin (Cheshire West)
Trees			Becky Harris (Cheshire West)
			Yvonne Edwardson (Cheshire East)

Brief description of Activity

Today's activity is a story by Penny Dale called Ten in the Bed. Please click the link below to hear it. It is narrated and signed by Rob Delaney and we have included the Makaton Charity's attachment to the story too.

<https://www.youtube.com/watch?v=ozWLB8ZPLF4>

Resources needed

Ten toys
 Numicon 1-10
 Numbers written on paper or use paper attachment

Activity - Seeds

Activity

Make this story come to life by helping your child to pick out 10 of their favourite toys or teddies and line them up on the floor or in the bed. Draw numerals 1-10 beneath each toy. If you have Numicon, you can place a Numicon frame, 1 to 10 beside each numeral too, or you could use the paper Numicon templates attached. Count the toys with your child.

Sing the song 10 in a bed together and when one falls out, encourage your child to roll their teddy or toy out of the bed and take the corresponding numeral and Numicon away. Recount the toys each time one 'falls out' using the numerals as a visual prompt.

Activity – Saplings and Trees

A video of Aidan demonstrating this activity is attached but in case it is not in a format you can open, here are the instructions.
You will need some post it notes or alternatively you can use squares of paper and blutac.

Write the numbers 1 -10 on separate post it notes or square of paper.

This activity is to order the numbers 1-10 but you can do anything you may be working on such as order the alphabet, months of the year, your child's name, counting in 2's or 10's etc.

Stick the post it notes randomly onto a window or door then move them to the correct order.

Numbers can go up or down. Race to see if you can get faster.
